November 2020

Thank you for your interest in Bristol Children's Help Society, the charity who organise, maintain and finance Barton Camp in Winscombe, Somerset.

This year started well for us with the news that we were to receive The Queen's Award for Voluntary Service in recognition of the outstanding work and dedication of all our volunteers and supporters.

Unfortunately, this award was sadly followed by the Covid-19 pandemic which has had a devastating impact on us. All of our camps planned for this year have had to be cancelled, including the residential opportunities that we offer to less fortunate children in the school holidays.

Without any rental revenue we are struggling to cover our overheads and the future is not looking promising. In order to continue to deliver holidays for children in 2021 we need to raise £80,000.00 so any financial support that you can offer us in these testing times will be greatly appreciated.

In previous years over 3,500 children have enjoyed a stay at Barton Camp and for many of these young people it was their only, and in some cases their first, holiday. With your help we can continue to offer residential opportunities to thousands of deserving young people in the future.

If you are willing and able to make a donation, however small, our Nat West bank account details are as follows:

Sort Code: 56-00-05
Account Number: 21053820

My thanks in anticipation of your support and I can assure you that all contributions will be gratefully received.

Tom Hood
